ARTICLE 03: SUBCONTRACTING

The Employer reserves the right to enter into affiliation and merger agreements and to subcontract work normally performed by bargaining unit employees. However, if such merger, affiliation, or subcontracting causes a layoff of bargaining unit employee(s), the Employer agrees to first discuss the decision and impact of the merger, affiliation or subcontracting and layoff with the Union and give sixty (60) days advance notice, or in lieu thereof, wages the laid-off employee(s) would have earned during the sixty (60) day notice period but for the layoff.

The discussion of the decision and impact of the merger, affiliation or subcontracting, which causes a layoff of bargaining unit employee(s), shall occur prior to the Employer actually deciding whether or not to enter into such

agreement or to subcontract the work. The parties shall meet to discuss ways that the work environment can be changed to prevent layoffs. The Union will be given at least a sixty (60) day period after that initial discussion to work with the Employer to illustrate that the work can be performed by bargaining unit employees within the Employer's identified parameters. It is understood that the Employer can reasonably accomplish such change twice in any one (1) fiscal year. Additional changes beyond said two (2) are subject to mutual agreement.

Section 5.3 The Union agrees to advise the Employer in writing of the names of its stewards before recognition of their respective capacity begins.

Section 5.4 When it is necessary for a recognized Union steward to leave his/her work area to handle a grievance in accordance with the grievance procedure, such steward shall request permission to leave the job from the supervisor. The supervisor will arrange to release the steward without unreasonable delay. The parties agree that the release of stewards shall not disrupt the orderly operations of MGL. Once released, the steward will devote his/her time to properly handling the grievance and shall return to the job as promptly as possible and, upon return, shall report to the supervisor in charge. The steward shall not abuse such release time. In order to enable the Employer to organize patient service and work, no Union steward shall be permitted to leave work during the first hour of any shift for grievance purposes, except in situations of mutually agreeable emergency, or an employee discharge occurring within that time period, upon the employee's request for representation.

Section 5.5 All grievance handling activities performed by a steward during scheduled working hours, and after release approval by a supervisor, shall be without loss of pay, except that time for travel to a different office or clinic site shall be unpaid. Stewards shall give an accounting of such time spent handling grievances to the Employer upon request from the Employer. Pay for steward activities shall be at the employee's straight time rate and shall not count toward overtime calculations except in weeks where the steward attends mandatory meetings scheduled by the Employer outside of the steward's regularly scheduled hours of work.

The Chief Steward shall be allowed time off from work with pay in order to travel to locations other than her/his own workplace in order to investigate and process grievances, as well as attend meetings with the Employer. Section 5.4 and 5.5 will also apply to the Chief Steward role except that role will not suffer a loss of pay for travel time during schedule hours of work.

Section 5.6 No other Union related activity shall be carried out on MGL premises during scheduled work time, unless authorized by the manager. All contacts with bargaining unit members by any steward regarding grievance handling and other Union related activity must occur during the non-work time of the bargaining unit employees. The investigation and processing of grievances by the steward or Union shall not disrupt the operations of MGL.

ARTICLE 06: UNION ACCESS

It is agreed that OPEIU Local 459 officials, in the administration of this contract, shall have access to non-patient care areas with permission and prior notice to department management. The Employer may limit access to Local 459 officials in patient care areas except where access is required due to the investigation of a grievance or site visit in the presentation of an Arbitration. Access shall not be unreasonably denied and all requests shall be answered promptly.

ARTICLE 07: BARGAINING COMMITTEE / PAYMENT

Section 7.1 For the sole purpose of negotiating any modification to this Agreement at the end of the term of this Agreement, the Employer agrees to recognize the Union's bargaining team consisting of up to three (3) bargaining unit employees, from separate locations, elected by the members. Names of employees so elected shall be submitted to the Employer in writing by the Union.

Section 7.2 The Employer agrees to release the elected members of the bargaining committee for scheduled bargaining sessions subject to operational needs. If it is necessary for the Employer to withhold the release of a committee member, the Union reserves the right to cancel the bargaining session.

Section 7.3 Bargaining committee members shall be compensated at their regular hourly rate for all hours spent in bargaining sessions where they would normally be on scheduled work time by the Employer.

Section 7.4 In order to receive lost time payment the employee must be scheduled to work during the time that negotiations are scheduled. Hours spent in negotiations shall not count toward overtime calculations except in weeks where the employee attends mandatory meetings scheduled by the Employer outside of the employee's scheduled hours of work.

Section 7.5 Employees are expected to return to work if negotiations are ended within one and one-half (1 ½) hours of their scheduled quit time unless this requirement is waived by mutual agreement of the parties. In the event that negotiations end early and the bargaining team does not report back to work but continues to work with the Union, the Union will be responsible for paying for any employee lost time.

There shall be no seniority among probationary employees.

To offer feedback to newly hired employees, MGL reserves the right to periodically evaluate said employees during the probation period. The Employer shall not be prevented from taking personnel action against a probationary employee regardless of whether or not the issue was addressed by a written evaluation. Probationary employees, who leave the employ of the Employer and are subsequently re-hired, shall begin a new probationary period.

Section 9.2 A probationary employee shall have no seniority until she/he has completed her/his probationary period. Upon completion of the probationary period, she/he will be credited with seniority from the first date of hire and will be so entered on the seniority list.

MGL shall also make a copy of the seniority list available to employees for thirty (30) calendar days. Any corrections therein must be requested, in writing, within thirty (30) calendar days after the list is provided to the Union; if not so requested, the list shall become final at the end of such period. In no event shall MGL be required to pay back-pay by reason of the correction of an error on such list. Thereafter, a seniority list will be provided to the Union every six (6) months.

Section 9.4 Temporary employees and casual employees shall have no seniority. If hired on a permanent basis, said employees shall have his/her seniority calculated from their date of hire as a permanent employee upon successful completion of the probationary period.

ARTICLE 10: SENIORITY

- (a) For all employees in the bargaining unit on the effective date of this Agreement, seniority shall be defined as an employee's original date of hire with the Employer effective upon completion of the probationary period.
- (b) For all employees who enter the bargaining unit after the effective date of this Agreement, seniority shall be defined as the current date of hire or transfer into a classification covered by the Agreement commencing upon completion of the probationary period.
- (c) A bargaining unit employee who transfers from one classification or location to another within the bargaining unit shall maintain his/her bargaining unit seniority.
- (d) A bargaining unit employee who leaves the bargaining unit by taking a non-bargaining unit position with the Employer shall retain his/her bargaining unit seniority if he/she returns to a bargaining unit position within nine (9) months.

ARTICLE 11: EMPLOYEE LIST

Section 11.2 If two (2) employees are hired on the same date or otherwise have the same seniority date they shall be listed using the last four digits of their social security number as the tie breaker. The last four digits of digits of the employees' social security number shall be added together and the employee with the highest sum shall be listed first. In the event of a tie in that sum the next number to the left will be added in until the tie is broken.

- (g) The employee is on layoff status for a period in excess of their recall rights.

- (h) The employee is on a non-workers' compensation disability leave for a period of twelve (12) consecutive months.

ARTICLE 13: GRIEVANCE PROCEDURE

Section 13.1 Definition of a Grievance. For the purposes of this Agreement, a grievance shall be defined as a complaint or dispute by an employee or employees covered by this Agreement arising during the term of this Agreement concerning the application and/or interpretation of a provision of this Agreement.

Section 13.2 Review Procedure.

Discussion: When an employee and an immediate manager have a dispute concerning the application and/or interpretation of a provision of this Agreement, both are encouraged to resolve it through discussion, with or without the employee's steward present (at the employee's option). Any satisfactory resolution must be in compliance with this Agreement and with current policies. If no satisfactory resolution is achieved or if the employee chooses to go straight to step one, the dispute may be reduced to a written grievance and formally processed according to the following steps:

Step One: Within seven (7) working days of the time an employee or group of employees knew or should reasonably have known of the alleged contract violation, the employee or group of employees must submit his/her written grievance to his/her manager or designee in charge. The grievance must be submitted on a grievance form provided by the Union and shall name the employee(s) involved, state the facts giving rise to the grievance including the date of the alleged violation, identify the provisions of this Agreement alleged to be violated, specify the relief requested, and shall be signed by the employee(s). The manager or their designee shall meet with the Grievant within seven (7) working days of receipt of the grievance. At the employee's option, a steward may attend a meeting regarding such grievance. The manager or their designee, whichever is applicable, shall provide the employee an answer, in writing, no later than seven (7) working days after the meeting. The manager will, on the same day, fax a copy of the answer to the Union Service Representative. An employee shall have the right to settle or withdraw the grievance without prejudice. Any resolution of the grievance must be consistent with this Agreement. Settlement reached at Step One is non-precedent setting.

Step Two: If the grievance is not satisfactorily resolved in Step One, the grievance shall be appealed to the Human Resources Department by submitting the grievance in person or by fax within five (5) working days after receipt of the answer in Step One. The appeal shall be in writing and signed by the Grievant and the Steward (or Service Representative) and it shall specify the basis of the appeal. Within ten (10) working days after receipt of the appeal, a Human Resources Representative will meet with the Grievant, the Steward, and the Union Service Representative providing said representative elects to attend. A Human Resources Representative shall provide a written answer to the grievance within ten (10) working days after the meeting. Multiple grievances involving an identical issue may be considered together at Step Two by mutual agreement of the parties.

Step Three - Notice of Arbitration: If the grievance is not satisfactorily resolved at Step Two, and if the Union is not explicitly barred from arbitrating the grievance by provisions of this Agreement, the Union may request arbitration by notifying the Human Resources Vice President or Designee in writing and shall do so within thirty (30) calendar days after receipt of the Step Two answer.

Section 13.3 Policy and Discharge Grievances: If the grievance concerns the bargaining unit as a whole or the discharge of a seniority employee the Union may file a grievance in writing (as outlined in Step 1 above) with the Human Resources Department within seven (7) working days of the time it knew or reasonably should have known of the alleged contract violation or the actual date of the employer action. Discharge grievances must be signed by the discharged employee. Grievances filed under this Section shall be processed in accordance with Step 2.

Section 13.4 Selection of Arbitrator: If a timely request for arbitration is filed with the Employer, and if the Union is not explicitly barred from arbitrating the grievance by provisions of this Agreement, the following process shall be used to select an arbitrator.

The arbitrator will be selected from the following panel of arbitrators:

Mario Chiesa
Peter Jason
Patrick McDonald
Kathleen Opperwahl
David Tanzman

The selection of the arbitrator shall be on a rotating basis, starting with the first listed arbitrator, as each case is presented for arbitration. If the arbitrator does not have any dates available within six (6) months of the date the

Union contacts the arbitrator, the arbitrator may be skipped on the list and he/she will be the first choice for the next arbitration scheduled. In the event that an arbitrator on the panel becomes perpetually unavailable, the parties agree they will replace the arbitrator with another mutually acceptable arbitrator.

The fees and expenses of the arbitrator shall be shared equally by the Union and the Employer

Section 13.5 Pre-arbitration. Promptly following the notice to arbitrate by the Union, either party may request a pre-arbitration meeting in an attempt to resolve the matter prior to the date of hearing. An attempt will be made to schedule such meeting within sixty (60) calendar days of the Union's notice to arbitrate.

Section 13.6 Arbitrators Jurisdiction. The jurisdiction of the Arbitrator shall be limited to grievances arising out of the interpretation or application of the Agreement or any written amendments or supplements hereto. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement or supplements hereto, or to specify the terms of a new agreement, or to substitute his/her discretion for that of any of the parties hereto or to exercise any of their functions or responsibilities. He/she shall have no power to establish wage scales or change any base wage rate. He/she shall not have the power to rule or decide questions relative to any Retirement Plan, or to rule or decide questions of health and safety. A seniority employee may grieve a discipline. If the grievance concerns matters not so within the jurisdiction of arbitration, it shall be returned to the parties without decision.

The Arbitrator is to issue his/her Award within thirty (30) days of the close of the hearing, unless mutually extended by the parties. It is agreed an Award will not be invalid due to late issuance.

The award of the arbitrator shall not be retro-active any earlier then the pay period immediately preceding the date the grievance was first filed in writing except that any award of back wages concerning discharge or disciplinary suspension shall commence from the date of the discharge or disciplinary suspension. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned at her/his regular rate, less any unemployment compensation or other compensation for personal services that the employee may have received from any source during the period of back pay, except earnings that would have otherwise been earned. (E.g. second job already held by Grievant at time of discipline and then credited to the hours and rate of pay held at time of discipline). No decision in any one case shall require a retroactive wage adjustment in any other case, unless such case has been designated as a representative case by mutual written agreement by the parties.

There shall be no appeal from an Arbitrator's decision. It shall be final and binding on the Union, its members, the employee or employees involved, and MGL, unless rendered outside the scope of his/her authority.

The cost of the arbitrator's fees and expenses will be shared equally between the Union and Employer.

Section 13.7 Arbitration Hearing. The Employer and Union will cooperate to ensure the right of either party to adequately prepare or present its position at the arbitration hearing. However, any witnesses who may be requested by either party shall be scheduled to testify so that lost time from work will be minimized. Upon completion of testimony (direct or rebuttal if required), the witness shall be excused to return to work.

Section 13.8 Multiple grievances involving an identical issue may be presented at an arbitration hearing by mutual agreement of the parties.

Section 13.9 Time Limitations. Any grievance not filed within seven (7) working days from the date the alleged violation occurred or the grievant or Union should reasonably have known of the alleged contract violation, will be deemed waived. Any grievance not advanced to the next step within the prescribed time limits shall be considered abandoned. Any grievance not answered within the prescribed time limits shall advance to the next Step including arbitration upon notice of appeal from the Union. Time limits may be mutually extended by MGL and the Union in writing; then the new date shall prevail. For purpose of this article, working day shall be Monday through Friday, excluding contract holidays.

Section 13.10 Lost Time. The Employer agrees to pay for lost time by the Grievant and one steward to attend the arbitration hearing. Pay will be at their straight time rate, and shall not count toward overtime calculation except in weeks where the employee(s) attend mandatory meeting scheduled by the Employer outside of the employee(s) regularly scheduled hours of work. Not more than one steward shall be excused from work to attend the hearing other than to serve as a witness unless mutually agreed upon by the Employer and the Union. The Union may request the presence of other employees to appear at the hearing as witnesses. The Union shall give the Employer at least five (5) working days advance notice of the names of the bargaining unit employees, including steward(s), the Union requests to be released from work to appear at the arbitration hearing. Any employee, other than the grievant and the steward, released from work at the Union's request shall not receive pay from the Employer.

Section 13.11 Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement, shall not be processed to arbitration unless this Agreement is extended by mutual

agreement of the parties. Any grievance which arose prior to the effective date of this Agreement shall not be processed.

Section 13.12 Any grievance for which there is another specific remedy, procedure or forum, exclusive of the NLRB, can be grieved and processed up through Step Two of the grievance procedure but cannot proceed to arbitration.

Section 13.13 All grievances shall be arbitrated by the arbitrator in accordance with the voluntary Labor Arbitration Rules of the American Arbitration Association.

Section 13.14 Any agreement reached between MGL and Union representative(s) is binding on all employees affected and cannot be changed by any individual. No settlement of a grievance shall be made which is inconsistent with any of the provisions of this Agreement.

ARTICLE 14: CORRECTIVE ACTION

Section 14.1 The parties recognize the unique characteristics of MGL and the importance of maintaining a high standard of conduct among all employees. If MGL has reason to formally discipline a seniority employee, it shall be done in an area away from other employees, patients, or the public, unless unreasonable circumstances do not permit.

Section 14.2 Corrective action has been established to provide progressive disciplinary guidelines when employees fail to meet MGL's standards, policies, or procedures. Progressive discipline may be used with the intent of correcting inappropriate conduct which occurs while on the job or on MGL property or at MGL sponsored employee events. Progressive discipline may also be used to correct job performance deficiencies.

Section 14.3 MGL will discipline seniority employees for just cause. Progressive discipline may be issued at an appropriate level based on the circumstances surrounding the infraction, the nature and severity of the offense, the employee's past record and previous history of discipline. Generally, depending on these factors, each infraction builds upon the last one committed and the employee progresses to the next step of corrective action with each succeeding offense. Discipline generally becomes more severe as violations continue to occur

Progressive Discipline Steps. The following steps represent the sequence of disciplinary action for most types of violations. When the nature of the violation warrants it, the sequence may be initiated at an advanced step up to and including termination.

Step 1	Written Record of a Verbal Warning
Step 2	Written Warning
Step 3	Written Warning with or without Suspension
Step 4	Termination

In determining the form of discipline, the employer shall give consideration to:

1. Past performance and length of employment with the employer.
2. Consistency with discipline in similar situations.
3. The corrective effect of the level of discipline on the employee.
4. The severity of the situation, actual or potential
5. The intent of the employee's action (e.g. deliberate, willful, or malicious as compared to a mistake or inadvertence).

Section 14.4

- (a) MGL will notify the Union Service Representative either in writing, via fax, e-mail or voice mail of a suspension or termination by the end of that shift, if possible, otherwise within forty-eight (48) hours of the suspension or termination. Failure to timely notify will in no manner adversely affect or impact the merit of the suspension or termination.
- (b) The seniority employee will be given a copy of the discipline, which shall cite the reason for the disciplinary action.

Section 14.5 During investigation of discipline, an employee shall have the right to have his/her steward present if the employee reasonably believes that his/her statement may lead to disciplinary action. If such request is made, then before an employee is required to make any statements pertaining to his/her possible misconduct, the employee shall have the opportunity to discuss the matter first with his/her steward.

Section 14.6 In taking disciplinary action, MGL shall not take into account any incidents which occurred more than twelve (12) months previously from the date of the current incident but can review an employee's entire work history

to assist in assessing the potential mitigation of penalty at the termination step. Any period in which the employee is on an approved leave of absence in excess of thirty (30) calendar days shall not count as service time for purposes of defining the period during which corrective actions remain active.

Section 14.7 The Employer shall issue any discipline within twenty-one (21) calendar days of Management becoming aware of the event(s) leading up to the discipline, except in extenuating circumstances including but not limited to the employee and/or a witness on leave, vacation or other unavailability.

Section 14.8 All disciplinary action shall be subject to the grievance procedure; however, written record of a verbal warning shall not be subject to arbitration.

Section 14.9 Excessive absenteeism shall be defined as more than eight (8) occurrences of absences in a twelve (12) month period. An occurrence of absence is defined as any period of absence that is consecutive and uninterrupted whether one day or longer.

Excessive tardiness shall be defined as an employee being tardy six (6) in a three (3) calendar month period defined as January - March, April - June, July - September, and October - December.

The Employer and the Union agree that only one (1) corrective action equal to one (1) step shall be given in respect to a tardy incident.

Management will give consideration to an absence or tardiness due to an emergency situation in which the employee is not able to give at least 24 hour notice. If or when corrective action is considered by management the employee's record shall be reviewed and any such emergency situations shall not be counted. Examples of such emergencies are, but not limited to, impending death of a family member, or motor vehicle accident in which the employee is involved. Documentation supporting the absence may be requested.

Section 14.10 Call In Procedure. Generally employees are expected to call in to report an absence one (1) hour prior to the start of their shift by paging the Operations Manager or calling the Operation Coordinator or designee. If appropriate, the employee will be contacted within one (1) hour of the employees start time to confirm the Employer received the call/page.

Section 14.11 When a discipline is issued for absenteeism and/or tardiness, no more than a one (1) step disciplinary action will be taken.

Section 14.12 If corrective action has been initiated, the employee's record of active progressive discipline is considered to be a rolling twelve (12) month period. Additional infractions within the rolling twelve (12) month period may result in the next step of progressive discipline except that if the employee has had a prior level of discipline in the progression of discipline become inactive, the employee shall have the last level of discipline repeated if another incident occurs which warrants one step disciplinary action. If corrective action is initiated at the suspension level, the discipline will be considered active for twelve (12) months.

ARTICLE 15: EVALUATIONS

Section 15.1 Employees shall receive yearly job performance evaluations.

Section 15.2 The overall responsibility for employee reviews lies with the Employer.

Section 15.3 The appraisal shall not contain any arbitrary and/or capricious statements pertaining to an employee's physical, medical or psychological characteristics. Employees shall acknowledge such evaluations by signature; however, such signature will imply neither agreement nor disagreement with the evaluation. Employees may, within fourteen (14) calendar days of receipt of the review, attach a written statement to the review.

Section 15.4 Evaluations are not discipline and shall not be subject the grievance procedure.

Section 15.5 Employees shall have the option of taking a co-worker with them to their evaluation so long as management has more than one (1) person present for the evaluation.

ARTICLE 16: PERSONNEL FILE

Section 16.1 The Employer will maintain a personnel file for each employee. The personnel file will be located in the Human Resources Office. There will be only one (1) personnel file for each employee.

Section 16.2 Employee Right to File: The employee will have the right, upon request and with reasonable notice, to examine his/her own personnel file. A member of the Human Resources Office staff may be present when the employee inspects said file and the employee may be accompanied by a member of the Union if he/she desires.

At the employee's request, the Employer will reproduce any materials in his/her personnel file at the prevailing cost of duplication.

The employee will have the right to add to his/her personnel file materials, which attest to his/her proficiency and experience. Such material shall testify to the successful completion of any course, seminar, or other program that increases or broadens the employee's qualifications for any Corporation position.

In no event shall an employee's medical files or grievance forms and/or decisions regarding such grievance forms be contained in their personnel file unless necessary for implementation.

Section 16.3 Employee Notification: If an employee disagrees with information contained in the personnel file, the employee may submit a written statement explaining his/her position, which will become a part of the file for the same period of time as the disputed material.

Section 16.4 Non-Job Related Information: Information not related to the employment relationship shall not be placed in an employee's personnel file without the employee's consent.

ARTICLE 17: NON-DISCRIMINATION

Section 17.1 The Employer and the Union shall not discriminate because of race, religion, color, age, sex, marital status, height, weight, national origin, sexual orientation, political beliefs, or disability.

Section 17.2 The Employer shall not discriminate against an employee because of activity as a Union member.

Section 17.3 Any grievance filed claiming this Article has been violated shall not be subject to the Arbitration procedures. If the subject of the discrimination is not covered by an outside entity the grievance may be submitted to voluntary mediation as outlined below: This process is intended to mirror the MDCR's and FMCS Mediation Program.

The decision to mediate is completely voluntary and must be agreed to by all parties. The Union must request Mediation on behalf of the Employee within forty-five (45) days of the date of the Human Resources response to the grievance on the issue.

The Mediator will not make any decisions as to the outcome of a complaint. The only role of the Mediator is to facilitate discussion in an attempt to resolve the complaint. Settlement is voluntary and only occurs when both parties reach a settlement that both parties are willing to sign.

The parties agree to use either the Federal Mediation and Conciliation Services (FMCS) or the Michigan Employment Relations Commission (MERC) mediators. The cost of the Mediator shall be split 50/50 between the parties. The parties will be responsible for the cost of their own representatives. The Employer will pay for one grievant to attend the hearing, if that grievant is a current employee, at his/her current hourly rate of pay. The Employer and Union will cooperate to ensure the right of either party to adequately prepare or present its position at the mediation hearing. However, any witnesses who may be requested by either party shall be scheduled to testify so that lost time from work will be minimized. Upon completion of testimony (direct or rebuttal if required), the witness shall be excused to return to work. Not more than one steward shall be excused from work to attend the hearing other than to serve as a witness. The Employer will not pay lost time for employees involved in the hearing other than for one steward, any witnesses and the grievant(s).

The employee and the Employer may have representation at mediation. The Local Union Representative or designee may represent the employee and the Employer's Chief Human Resources Officer, or designee may represent the Employer. The Mediator will not act as an advocate or offer legal advice to any party.

All mediation participants must sign a terms of mediation agreement at the start of mediation. The terms of mediation agreement outlines the terms in which they are agreeing to participate in mediation.

The Mediator will be selected from a list of FMCS or MERC mediators and agreed to by both parties by alternate striking.

- (a) **Racial/Ethnic/Religious Harassment** is defined to include, among other conduct, threats, insinuations, innuendo, racial, ethnic, or religious slurs, demeaning jokes, or other offensive statements or conduct based on race, ethnicity, or religion directed at an employee, patient, volunteer, visitor or a racial, ethnic, or religious class or group.

ARTICLE 20: WORK HOURS AND PREMIUM PAY RATES

Section 20.1 The workweek will consist of seven calendar days starting on Sunday of each week. There will normally be five eight-hour days in a workweek. This is not a guarantee of hours of work per day, hours of work per week or days of work per week.

Section 20.2 The Employer shall post the schedules of work at least two weeks in advance, but this shall not restrict the Employer in adjusting the schedule with less notice when necessary for service requirements. Staffing needs and operational demands may necessitate variations in starting and ending times. The Employer agrees to promptly notify the employee involved when a change in the posted schedule is made.

Section 20.3 Overtime work may be required to maintain necessary services. Employees are required to receive prior management approval before working any extra hours. Hours worked in excess of forty hours in a workweek will be compensated at one and one-half the employee's regular rate of pay. PTO will not be considered as hours worked in the calculation of overtime.

Section 20.4 Working Out of Definition:

- (a) If a temporary relief employee works eight (8) or more hours per week for six (6) consecutive weeks or more performing bargaining unit work, then the Employer shall post a position for that site and classification. The positions shall be posted and filled in accordance with this agreement's language on job posting and bidding.
- (b) A non-probationary employee classified as a regular part-time employee who works more than sixty (60) calendar days at full-time hours shall accrue benefits commencing with the 61st day and shall continue during such full-time work schedule. Insurance coverage, however, shall commence only at the next available date after the 61st day consistent with the rules of the insurance carrier. After the 120th day, the employee shall be considered a regular full-time employee. Part-time employees covering temporary vacancies and open scheduled shifts in the bargaining unit created by regular bargaining unit employees who are on any approved or unapproved leave or time off, with or without pay, including vacancies created by posted positions in the

- (d) Positions that have been identified for elimination by MGL, which are being worked by temporary employees, shall not count toward the above. The Union shall be notified of positions identified for elimination. The notice shall include the job classification, site location, position, and the effective date of the elimination.
- (e) Temporary Relief Employees are also called agency, casual or temporary employees.

ARTICLE 21: REST AND MEAL PERIODS

Section 21.1 Rest Periods:

- (a) Employees will be allowed to take paid break periods with the approval of their supervisor or designee, said approval shall not be unreasonably withheld. A paid fifteen (15) minute break may be taken during each four (4) hour work period subject to operational requirements. Breaks cannot be combined or used at the beginning or end of a shift, unless approved by the employee's supervisor.
- (b) Each practice location will designate an area to be used as a break area. Breaks are to be taken in the break area away from the employee's workstation.

Section 21.2 Meal Periods: An unpaid meal period of either one-half hour or one hour shall be given to each employee who works a shift of seven (7) or more hours in a workday. The supervisor, based upon operational needs, will determine the time and length of the meal period. Meal periods must be taken away from the employee's workstation.

- (a) An employee may not substitute a paid break for an unpaid meal period. An employee may not use the meal period to arrive late or leave early without the prior approval of their supervisor.
- (b) An employee who is required to work through a meal period or is required to return to work during a meal period due to workload constraints must obtain approval from their supervisor or designee prior to working through the meal period or a portion of the meal period. Such time worked will be compensated and will be counted as hours worked.

ARTICLE 22: LAY OFF/REDUCTION IN HOURS/RECALL

Section 22.1 Purpose: To provide a consistent process for implementing layoffs in excess of thirty (30) consecutive calendar days and scheduled hours reductions in excess of thirty (30) consecutive calendar days.

Section 22.2 Provisions: Indefinite layoffs and scheduled hours reductions will be implemented according to the procedures described below. The Employer may implement temporary layoffs of less than thirty-one (31) calendar days and temporary scheduled reduction in hours of less than thirty-one (31) calendar days, which are not subject to the provisions of this article.

Section 22.3 Definitions:

- (a) **Affected Employee:** A regular full-time or regular part-time seniority employee.
- (b) **Bargaining Unit Seniority:** As defined by this Agreement.
- (c) **Corporate Seniority:** As defined by this Agreement.
- (d) **Seniority Employee:** A regular full-time or regular part-time bargaining unit employee who has completed the probationary period.
- (e) **Indefinite Layoff:** Layoff for a period in excess of thirty (30) consecutive calendar days or length of seniority at time of layoff, whichever is less.
- (f) **Scheduled Hours Reduction:** A decrease in the regularly scheduled hours of a regular full-time or regular part-time employee for a period in excess of thirty (30) consecutive calendar days.

- (g) Department: A cost center within a practice covered by this Agreement.
- (h) Reasonable Offer: Offer of a similar classification, budgeted hours (defined as plus or minus 10%), and same pay status (full-time or part-time) at a department location not more than twenty-five miles from the employee's department at the time of layoff. (Temporary positions are not considered bona fide vacancies.)

Section 22.4 Procedure: Whenever MGL determines a layoff or scheduled hours reduction is necessary for a specific department, the number of hours and/or positions, and the specific classifications to be eliminated or affected in a department, and whether to implement a layoff, hours reduction, or combination of both will be determined by MGL.

The determination of which employees will be affected will be made by MGL in accordance with the provisions of this article, and the Employer shall have the right to make exceptions to the procedure where specific skills and experience are required. Affected employees will be identified from the employees in the affected positions and classifications in that department.

Each affected employee will be notified by MGL of her/his indefinite scheduled hours reduction or indefinite layoff. MGL shall provide five (5) calendar days advance notice or in lieu thereof, wages they would have earned during the five- (5) day period but for the layoff. For informational purposes, the Union shall receive a copy of the layoff notice and a list that contains the affected classifications, status, and department where the layoff is to occur.

- (a) MGL will seek volunteers for layoff or reduction in hours, whichever is applicable, within the affected department and job classification. A seniority volunteer accepts the layoff or reduction of hours until recalled per the provisions of this Article. If there is an excess of volunteers then selection will be by seniority (high to low). An employee who volunteers for layoff or reduction in hours does so for the balance of the layoff or reduction in hours.
- (b) If there is still a need to reduce staffing levels, MGL will then reduce the scheduled hours of and/or terminate the employment of temporary employees in the identified classification(s) in that department.
- (c) If there is further need to reduce staffing levels, MGL will then reduce the scheduled hours of and/or terminate the employment of casual employees in the identified classification(s) in that department.
- (d) If there is further need to reduce staffing levels, MGL will then reduce the scheduled hours of and/or terminate the employment, as MGL deems appropriate, of those full-time and part-time employees in the identified classification(s) in that department who have not completed their new hire probationary period.
- (e) If there is further need to reduce staffing levels, MGL will then reduce the scheduled hours of and/or layoff those full-time and part-time employees in the identified classification(s) in that department who have completed their new hire probationary period. Selection will be made in inverse (lowest to highest) order of bargaining unit seniority.
- (f) Affected seniority employees (non-volunteers) will be assigned to an open position, if any, which is a reasonable offer, in their same job classification and at a bargaining unit practice within 25 miles of the affected employee's practice. At the employee's option the twenty-five (25) mile limitation may be waived. If there is more than one vacancy in their same job classification the employee may choose the position. The employee must accept a reasonable offer or they will forfeit their layoff allowance and recall rights. An employee may refuse an unreasonable offer without loss of layoff allowance or recall rights.

Section 22.5 Bumping: All laid off bargaining unit seniority employees shall have bumping rights pursuant to the following:

- (a) the employee is not on a temporary layoff;
- (b) the employee has not elected a voluntary layoff;
- (c) there is not an open position in the employee's same job classification which is a reasonable offer;
- (d) a part-time employee may not bump a full-time employee, but may bump into a full-time vacant position, provided that if a full-time employee has been laid off on the same day the full-time employee has first choice of full-time vacancies;
- (e) an employee may bump into only one position (e.g. cannot bump two part-time positions to make a full-time position);
- (f) all bumps shall be based on bargaining unit seniority;

- (g) all bumps must be within the bargaining unit covered by this Agreement.

Section 22.6 Bumping Process: An employee who has received a layoff notice and for whom no open position exists within her/his same job classification may bump the least senior employee in the same job classification regardless of status, the duties of which she/he is capable of performing with minimum orientation (not more than ten (10) working days). A full-time employee may bump the least senior full-time employee or the least senior part-time employee and must work the required hours of the position.

An employee exercising such bumping rights must do so within two (2) working days after receipt of layoff notice. If the employee chooses not to exercise bumping rights, she/he shall remain on layoff until recalled or the expiration of his/her recall rights.

Section 22.7 MGL can continue to schedule casual employees as needed subsequent to any layoff or reduction of scheduled hours to cover absenteeism including daily absenteeism, vacations, leaves of absence, bereavement, jury duty, etc. Seniority full-time and part-time employees scheduled for layoff may elect casual employee status in the Resource Pool but are not guaranteed any minimum schedule of hours.

Section 22.8 During the term of this Agreement, the elected stewards (not alternates) shall go to the top of the seniority list in his/her classification including shift within their department, during their term as steward only in the event of a layoff. If the steward must be designated for layoff, the steward can replace the least senior employee in the same or lower job classification in the department (s) he/she serves as steward, provided he/she is qualified and capable of performing the work with minimum orientation (not more than ten (10) working days). The steward must assume the hours of the employee replaced, and shall be placed in the same percentage position in the range of the lower classification. In the event there is no lateral or lower classification for the steward to bump into in his/her department, he/she may relinquish their status as steward and bump in accordance with the normal bumping process based on his/her bargaining unit seniority.

Section 22.9 Miscellaneous Layoff Provisions: Employees on an approved leave of absence may be allowed to exercise their seniority rights, if any, upon return in event there has been a layoff during the employee's leave of absence. The provision shall be construed consistent with the Article(s) pertaining to the employee's type of leave.

If a concurrent layoff occurs within a classification, the most senior employee will be given first choice of vacant positions based upon bargaining unit seniority.

An employee who bumps into another department as a result of a layoff shall be considered to be from their original department when applying for a vacancy in the original department for a period of one year after the layoff date. It shall be the employee's responsibility to check the job postings and initiate the request through the internal transfer process.

Section 22.10 Benefits Upon Layoff:

- (a) Laid off employees who are covered by medical, dental and/or optical insurance shall retain such benefits to the extent offered active employees and shall have the portions of the premium paid by the Employer continued for the period of time that they receive lay off allowance or a minimum of one month beyond the calendar month in which the employee is laid off.
- (b) Employees will be paid through the last day of work. At the discretion of management, pay in lieu of notice may be given to an employee being laid off.
- (c) After notice has been given, any time off taken by an employee that is not approved in advance in writing by MGL will be without pay. Any paid time off shall not extend the effective date of layoff beyond the last day worked.
- (d) Employees who are laid off will not be eligible to use any paid time off after the last day worked. Paid time off may not be used as pay in lieu of notice. Accrued, unused paid time off will be paid upon layoff, unless the employee requests payout at expiration of recall rights.
- (e) Any eligible, affected employee whose tuition reimbursement application was approved prior to notification of layoff will be eligible for reimbursement for the approved semester, in accordance with applicable MGL policy, at the benefit level to which she/he was entitled prior to layoff or scheduled hour reduction.
- (f) Laid off employees are not eligible for wage adjustments, benefit payouts, or benefit accruals after the last day worked except as stated above. Upon recall and return to work, laid off employees will be paid at the rate they would be entitled to but for the layoff.

- (g) All affected employees are eligible to apply for other available positions for which they qualify in accordance with the provision of the Job Posting and Bidding Article. Employees who are laid off for ninety (90) days or more are required to apply for other available positions (reasonable offers) for which they qualify, or MGL will dispute any related claims for unemployment compensation. Employees who hire into another available position may elect to return to their former position in their former department if it becomes available within ninety (90) days of the start in the new position. Employees must notify Human Resources of their interest in returning to their former position if it becomes available. If employees do not notify Human Resources, it will be assumed that the employee wished to remain in his/her new position rather than return to his/her position.
- (h) Laid off employees who are unable to obtain other employment with MGL will receive information regarding unemployment compensation and continuation of insurance coverage's through COBRA (if applicable).

Section 22.11 Recall from layoff or reduction in hours: When MGL determines to recall and/or to reinstate reduced hours, employees will then be recalled to the same job classification from which he/she was laid off or reduced in hours based upon seniority (highest to lowest) provided he/she has the skills necessary to perform the required work without training. Employees whose jobs were altered during their layoff because of technological changes shall be given training consistent with training provided to other employees in the same job classification.

Notice of recall can be by telephone and/or by certified mail return receipt requested to the employee's address on file with MGL's Human Resources Department. It is the full responsibility of the employee to keep his/her telephone number and current address with the Human Resources Department. Upon notification of recall, employees will have three (3) working days to return to work, unless another reporting date and time is mutually agreed to by MGL and the employee. Failure to return to work as scheduled will be considered a voluntary quit and will result in termination of employment.

Full-time and regular part-time laid off employees with up to five (5) years of seniority shall have recall rights of one (1) year or length of seniority, whichever is less. Such employees with five (5) or more years of seniority shall have recall rights of two (2) years.

Employees who bumped into their same job classification outside of their department may elect to return to their former position in their former department if it becomes available within ninety (90) days of the original layoff date. Employees must notify Human Resources of their interest in returning to their former position if it becomes available. If employees do not notify Human Resources, it will be assumed that the employee wished to remain in his/her new position rather than return to his/her former position.

Section 22.12 Layoff Allowance: Laid off employees shall receive allowance of one week's pay for each full year of service with a minimum of two (2) weeks' pay, to a maximum of eight (8) weeks' pay, to be paid bi-weekly, so long as the layoff continues, provided that the employee is on indefinite, involuntary layoff where no reasonable offer of employment has been made or on a voluntary layoff offered by the Employer.

ARTICLE 23: JOB POSTING AND BIDDING

All full-time and regular part-time job vacancies within the bargaining unit and approved by MGL to fill, will be filled in accordance with the following provisions of this Agreement. A job vacancy may result from the resignation of an employee, the termination of an employee, the promotion of an employee, the demotion of an employee, the transfer of an employee to another bargaining unit position, the transfer of an employee out of the bargaining unit, the retirement of an employee, or the creation of a new job classification.

Section 23.1 Recruitment Process: MGL will use the following recruitment process to fill a vacant full-time or regular part-time position:

- (a) A vacancy will be posted via the Electronic Board for seven (7) consecutive days, prior to the closing date for applications, simultaneously within MGL and the department that has the vacancy.
- (b) All postings will include the following information, which will be determined by MGL:
 1. Posting beginning and ending dates
 2. Job title
 3. General job summary
 4. Practice location
 5. Job status (full time or part time)
 6. Base hourly rate
 7. Qualifications, which will include, but are not limited to experience, training/education, licensure, certification/registration

8. Shift hours (variable hours and/or shifts will be reasonably defined)

(c) A copy of all job postings will be sent to the Local Union office.

Section 23.2 Application Process: Qualified employees interested in a vacancy are required to apply in writing by submitting a properly completed request to transfer form. This form must be received in the Human Resource Department no later than the expiration of the posting period.

Section 23.3 Selection Process: Employees who have been laid off from the position to be filled shall be recalled to that position prior to it being posted, provided their recall rights are in effect at the time the position is to be posted.

- (a) A list of all qualified applicants who apply during the bidding period with name and seniority date will be provided to the hiring supervisor. The hiring supervisor shall interview at least the top three (3) most senior qualified bargaining unit applicants.
- (b) Management may interview and consider any qualified applicants in addition to the three (3) most senior qualified bargaining unit applicants at his/her discretion, but the three (3) most senior must be interviewed
- (c) Employees who bid on a position and are on a leave of absence and who otherwise meet the qualifications will be included on the list of all qualified applicants. An employee on LOA may be denied a position, even if they are considered the most qualified, if they cannot start the position within thirty (30) calendar days after being offered the position.
- (d) Prior to hiring an external candidate or a candidate who is a current employee outside the posted classification, MGL shall consider and select employees eligible for a lateral transfer. A lateral transfer is defined as an employee moving within the same classification, and being able to competently perform the essential duties of the new position within ten (10) working days at the same site location or to another site location. Employees on an active Step 2 Written warning or higher disciplinary action for attendance/tardiness or any active disciplinary action for any other type of infraction are not eligible to be considered and selected for a lateral transfer. If two (2) or more employees are eligible for a lateral transfer, the employee with the highest seniority would be selected.
- (e) If there are no employees eligible for a lateral transfer, MGL will select the best qualified applicant for each vacancy utilizing the criteria in Section 25.1(B) regardless of status, seniority, bargaining unit or non-bargaining unit status, etc. The applicant's experience, ability, skills, certification and overall work record, including job evaluations and active disciplines (any within the previous 12 months) will be considered. Seniority will be the determining factor when qualifications are relatively equal.
- (f) Employees (including casuals) filling temporary vacancies and/or temporarily working out of their current classifications shall not be given credit for ability and experience gained in the temporary position towards job qualifications if the employee later bids on the same classification or position on a permanent basis. However, nothing herein shall be construed to prohibit the Employer from giving such employee credit for his/her prior work record and experience, as well as training and ability which the employee has gained at other than the temporary position.

Section 23.4 Awarding of the Position: An adjustment to the selected employee's base pay may be made, effective on the date she/he starts in the new position. A bargaining unit applicant selected for a vacant position will generally be moved to the new position at least fourteen (14) calendar days but no more than thirty (30) calendar days after acceptance of the new position. In the event this delay is for more than twenty-one (21) calendar days, and the new position would result in a higher rate of pay, the employee will receive the higher rate of pay beginning with the payroll period immediately after the twenty-first (21st) calendar day after acceptance of the new position.

Section 23.5 Eligibility for Transfer and New Job Probation Period: An employee who has not completed her/his new hire probation, as defined elsewhere in this Agreement, cannot bid on a posted position unless her/his department manager provides written approval. If approval is given, and the probationary employee is selected, the employee must complete a new job orientation period (480 hours worked, not to exceed 90 calendar days full-time and 180 calendar days part-time) for the new position in addition to the new hire probation. Both the probationary and orientation periods will run concurrently.

An employee who has not completed her/his new job orientation cannot bid on a posted position unless her/his department manager provides written approval. If approval is given, and the employee is selected, the orientation period for the old job will be terminated on the date the employee begins the new job. On the date the employee begins the new job, she/he will begin a new job orientation period.

ARTICLE 24: JOB DESCRIPTIONS

Section 24.1 Each employee, upon request to the Employer, shall be given a copy of her/his current job description.

Section 24.2 For informational purposes only, the Employer will provide the Union with a copy of job descriptions for the bargaining unit classifications when it makes any changes in those job descriptions.

ARTICLE 25: NEW OR CHANGED JOB CLASSIFICATIONS

Section 25.1 When MGL creates a new job classification which would be within the bargaining unit, or combines existing bargaining unit classifications or revises a bargaining unit classification to the extent that significantly new skills, responsibilities and qualifications are required, MGL will create the job description and determine a reasonable pay range for the job classification. MGL will provide the Union with a copy of the job description and the pay range.

Section 25.2 The Union may request to bargain over the pay range for the job classification and the parties shall do so within ten (10) calendar days after receipt of notice or mutually accepted extension. At the expiration of the ten (10) calendar day period or mutually accepted extension date, the job classification and agreed upon pay range shall be effective. Otherwise, the pay range as determined by the Employer shall be effective.

ARTICLE 26: BULLETIN BOARDS

Section 26.1 The Employer shall provide a bulletin board or space on an existing bulletin board at each practice location where bargaining unit members are normally assigned for use by the Union for posting notices limited to the following types:
