LOCAL 459, AFL-CIO**

PREAMBLE

This Agreement entered into this 1st day of JULY 2022, by MICHIGAN ASSOCIATION OF UNITED WAYS, INC. hereinafter referred to as "Employer," and its successors, and OFFICE AND PROFESSIONAL EMPLOYEES INTERNATIONAL UNION, LOCAL 459, AFL-CIO hereinafter referred to as the "Union," and its successors.

The parties hereto desire to cooperate in continuing conditions which tend to secure to the employees concerned a just wage and fair and reasonable conditions of employment and to provide methods for fair and peaceful adjustment of all disputes which may arise between them.

ARTICLE I. RECOGNITION OF THE UNION

Section 1. In accordance with the certification of the National Labor Relations Board, the Employer recognizes the Union as the exclusive bargaining agent for employees in the following bargaining unit:

All full-time and part-time Community Service Labor Liaison Staff and support staff in Secretarial and Clerical positions employed by the Employer at its place of business: but excluding Administrative Assistants to the MAUW CPO and to the Finance Department, confidential employees, guards and supervisors as defined in the Act.

The Employer and the Union will bargain in good faith with respect to the wages, hours, and other terms and conditions of employment for the employees represented by the Union in the above described unit as set forth by the National Labor Relations Board in case numbers 7-RC-16371 and 7-RC-17904.

Section 2. In the case that a new employee is hired through grant or contract funds to perform administrative work within any program at the Association, that employee shall be recognized by the bargaining unit and be protected by this agreement. The employee's hourly wage or salary shall be set forth by the grant or contract agreement,

and not by the classification and salary ranges under Article XIX, Section 1 of this agreement. Overtime Compensation, as set forth under Article XII, Section 4 of the CBA will apply to all hourly employees protected under the agreement. The employee shall accrue the benefits indicated within this contract. The Union Steward will maintain a list of hiring seniority for each grant or contract in the case of Layoff or Termination. This list will be separate from the seniority list maintained for non-grant or contract funded members of the CBA. The employee shall remain a member of the bargaining unit for as long as the position is funded.

Section 3. A newly-employed support staff shall be known as a probationary employee for a period of ninety (90) calendar days. A newly-hired labor liaison staff shall serve as a probationary employee for a period of one hundred eighty (180) calendar days. All probationary employees shall become regular employees after satisfactory completion of a probationary period. The Union shall represent probationary employees for the purpose of collective bargaining in respect to wages, hours of work and other conditions of employment. However, a probationary employee shall not have access to the grievance procedure in this Agreement, and the Employer, at its option, may terminate a probationary employee. Following successful completion of the probationary period, the employee shall receive a dated copy of her/his evaluation and a copy will be placed in the employee's personnel file.

Section 4. The Employer and the Union agree that they will provide equal employment opportunities to all eligible persons without regard to marital status, parental status, disability, race or color, age, gender, religious beliefs, national origins, sexual orientation, height, weight, membership in any labor organization, political affiliation and record of arrest without conviction. Neither will the Union nor the Employer intimidate, coerce, or discriminate against any employee contrary to the National Labor Relations Act.

Section 5. Upon completion of the probationary period, the Employer agrees to deduct Union initiation fees and dues from the wages of each employee of the bargaining unit. Each employee of the bargaining unit shall sign and deliver to the Employer a signed authorization wherein the Employer is authorized to deduct Union dues and initiation fees. The written authorization shall continue in effect unless revoked in writing.

Section 6. The Employer will furnish the Union with an alphabetical check-off list upon request. The Union shall advise the Employer, in writing, of any variations in the amounts to be deducted. The Employer shall forward said deducted sums in a timely manner, but no later than the 10th calendar day of each month following deductions to an address designated by the Office and Professional Employees International Union, Local 459, AFL-CIO.

Section 7. The Employer shall have no obligation to deduct dues and initiation fees from the wages of an employee until and unless the Employer has been furnished an

authorization signed by said employee. The Union will hold the Employer harmless from any liability resulting from employees' claims that deductions have been improperly calculated or wrongfully deducted where the Employer has relied upon information and/or authorizations furnished by the Union.

ARTICLE II. MANAGEMENT'S RIGHTS

Section 1. The management of the organization and the direction of the working forces are vested exclusively with the Employer including, but not limited to, the sole right to determine the nature and extent of the work to be performed, to hire, discipline, discharge, layoff and recall, assign and reassign, promote and transfer employees, determine the hours of work, make and enforce reasonable rules provided the same are not inconsistent with this Agreement.

Section 2. The Union recognizes these and other rights belonging solely to the Employer unless abridged by the terms of this Agreement.

ARTICLE III. UNION SECURITY

Effective on March 28, 2013, as a result of Michigan Public Act 348, the provisions of the foregoing paragraph requiring membership in good standing as a condition of employment shall not be applicable except with regard to any work, or in any other circumstance, in which the provisions of Michigan Public Act 348 would not apply or be controlling. The Union and Employer further agree that if, during the term of this Agreement, Michigan Public Act 348 shall be repealed, amended, or otherwise nullified through legislation or an order of law rendered by a court or other tribunal of competent jurisdiction, the provisions of the foregoing paragraph affected by such legislation or order shall become a binding provision in this Agreement immediately on the effective date of such legislation or order.

Section 1. The Employer agrees that all employees covered under this Agreement shall, as a condition of employment, become and remain members of the Union upon completion of the probationary period.

Section 2. The Employer further agrees that all new employees hired subsequent to the effective date of this Agreement shall, as a condition of employment, become and remain members following satisfactory completion of the probationary period.

Section 3. For the purpose of this provision, the Union shall appoint a Union Steward and one Alternate Steward and a Bargaining Committee. Their names shall be filed in writing with the Employer. As changes are made in designations, the Union shall supply the Employer with said changes in writing.

Section 4. The Employer further agrees, when the Steward is absent or not readily available, the appropriate Alternate Steward shall act in the Steward's place. In such cases, all references to Steward in this Agreement shall be deemed to be made to the Alternate Steward.

ARTICLE IV. CONTINUITY OF OPERATIONS

Section 1. During the life of this Agreement, the Union agrees that no employees shall directly or indirectly take part in any walkout, work stoppage or slowdown, boycott strike (sympathetic or general), or in any other way interfere with any of the operations of the Employer. In the event any employee or group of employees does so participate or threaten to participate in such action or occurrence, the Union, upon notification by the Employer, shall use its best efforts to instruct said employee or employees to cease and desist from such action.

Section 2. In the event that any employee, group of employees, or all employees participate in any activity herein prohibited, the Employer shall have the right to discipline any or all of the said employees participating.

Section 3. The Employer agrees that it will not lock out any of the employees covered by this Agreement. Such obligations shall not be applicable if the Union, its members, or the employees have caused or are engaged in a strike.

ARTICLE V. PROMOTION AND TRANSFER

Section 1. Promotion is hereby defined as a move from a classification in a lower paying job to a classification in a higher paying job within the bargaining unit. It is the intention of the Employer to fill vacancies from within the organization before hiring new employees provided employees are available with the necessary qualifications and abilities to fill the vacancy.

Section 2. Notice of all job vacancies covered by this Agreement shall be provided to each unit member, in writing. This notice will remain in effect for five (5) working days from date of issue and/or postmark and include job title, rate of pay, and a brief description of job duties including qualifications and necessary skills.

Section 3. Promotion and transfers shall be made on the basis of seniority, qualifications and ability to perform on the job. In the event two (2) or more employees have equal qualifications to perform the job, the employee with the greatest seniority shall be selected. All employees so promoted shall be placed on the new job for a trial period of ninety (90) calendar days unless extended by mutual agreement between the Union and the Employer. In the event the employee does not perform satisfactorily during the trial period, or the employee requests return to former position, such

employee shall be returned to the former position at the old rate of pay and without loss of seniority. All employees transferring to an equal level position shall do so at the same rate of pay as the former position.

Section 4.

- A. An employee who is promoted to a higher position shall receive the entry-level rate of pay for the new position or the lowest salary step in the new range which provides an increase.
- B. If an employee accepts a lower paying position than currently held, the salary step in the new range shall not provide a decrease, if the range allows for it.
- C. The anniversary date of the employee becomes that of the promotion or transfer date, for purposes of step increases.

Section 5. Any employee transferred, promoted or appointed from a position within the bargaining unit to a position outside of the bargaining unit shall retain but not accumulate seniority within the bargaining unit for six (6) months after such a transfer at which time seniority within the bargaining unit terminates. If a management employee elects to transfer into the bargaining unit, in accordance with this Article, the seniority date of the transfer into the unit shall be used for purposes of layoffs, promotions and transfer only.

Section 6. In the case that a member of the bargaining unit is offered a grant-funded position which normally falls outside of the bargaining unit, that member shall have the option to maintain membership with the bargaining unit. Should the member choose to maintain membership, they will continue to accrue seniority in both hiring order and pay classification. Should the funding for the grant position cease for any reason, the member shall revert to their most previous classification within the unit. If the re-classification calls for a reduction in workforce, reverse seniority layoffs shall apply per Article IX, Section 1 of this contract. This clause is valid for members of the unit prior to September 1st, 2015 and shall not be applied to any member or position belonging to the unit following this date.

ARTICLE VI. JOB DUTIES

Section 1. Job duties and responsibilities shall be contained in job descriptions covering each classification. Job descriptions shall contain generic classification duties as well as specific language relative to the tasks of that position and the contents will be reviewed with the appropriate union representative. Union members will be provided job descriptions within thirty (30) days following the signing of this Agreement.

Section 2. Reasonable and/or necessary changes in job duties and responsibilities will be made by the Employer when such changes are required to meet the needed tasks for the position. Changes made by the Employer in any job descriptions will be reviewed with the Union and affected employee.

Section 3. Upgrades. A request to upgrade a position based on material changes in the job description shall follow this procedure:

- A. The employee shall submit in writing the request for upgrade to the immediate supervisor. The request shall include the position description, an outline of material changes in the job that have occurred prompting the upgrade request and the classification level the upgrade falls into. A copy of the request shall be filed with the Union Steward.
- B. The supervisor shall submit the request with comments in writing to the Management Representative for consideration within five (5) working days of receipt of request. A copy shall be filed with the Union Steward and the affected employee.
- C. The Management Representative shall reply to the supervisor the decision with comments, in writing, within five (5) working days. A copy shall be filed with the Union Steward and the affected employee.
- D. If the request has been denied by the Management Representative, a meeting shall be held within ten (10) working days between the Management Representative, Employer's CPO, affected employee, the immediate supervisor, the Union Steward and the Union Representative to discuss the upgrade request.
- E. If agreement is not reached at the above meeting, the upgrade shall be considered a grievance and will proceed to Step 3 of the grievance procedure.
- F. If the upgrade is approved, the new salary shall be retroactive to the beginning of the pay period in which the request was originally filed with the supervisor.

ARTICLE VII. PART-TIME AND TEMPORARY EMPLOYEES

Section 1. Part-time employees are those who are regularly scheduled for thirty (30) hours per week or less. Part-time employees must work days and hours as scheduled by the Employer.

Nor should the performance of such work result in the layoff of any employee covered by this Agreement. Management staff, non-union personnel and volunteers may perform work customarily assigned to the employees covered by this Agreement when bargaining unit employees are not available.

Section 4. Recall shall be in reverse order of layoff provided the employee has the necessary qualifications to perform the job. Notice of recall by the Employer shall be by certified mail, mailed to the address of the employee. Said address shall be that of record with the Employer. Notification of change in address following layoff is the responsibility of the laid-off employee. ARTICLE XVIII. GRIEVANCE PROCEDURE

Section 1. A grievance under this Agreement is a claim by an employee that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.

Section 2. The grievance procedure shall consist of the following steps:

Step 1. Within ten (10) working days from the date of occurrence or reasonable knowledge of occurrence, an employee with what they believe is an office problem and/or potential grievance will go to their Supervisor, with or without their Steward present, and discuss the matter with their Supervisor, giving the Supervisor the opportunity to resolve the problem.

Step 2. If the grievance is not satisfactorily adjusted within five (5) working days of the meeting with the Supervisor, the grievance shall be reduced to writing providing the specific contract provisions involved, the remedy requested, and shall be signed by the Union Steward and shall be filed with the Employer's Management Representative. The aggrieved employee, the Steward, and the Management Representative shall meet to discuss the grievance within five (5) working days of the filing of the grievance. The Management Representative will respond to the grievance in writing no later than five (5) working days following the Step 2 meeting.

Step 3. If the grievance is not satisfactorily adjusted at the second step, the grievance shall be filed with the Employer's CPO within five (5) working days of receipt of Management's second step response. The MAUW CPO shall meet with the aggrieved employee and the Steward to discuss the grievance within five (5) working days from receipt of the grievance. The Employer's CPO shall respond in writing no later than five (5) working days from the third step meeting. The parties agree that the third step may be waived based on mutual agreement.

Step 4. If the grievance is not resolved by the CPO, the Union shall have five (5) working days from the date of the decision in which to appeal the grievance to the committee designated by the Personnel Committee by giving notice in writing to the Committee's Chairperson, delivered to the CPO's office. The Union Steward, the representative of the Union, and the grievant shall meet to discuss the grievance with the committee within twenty (20) working days from the date of the appeal. The committee shall give an answer in writing to all parties within ten (10) working days of said meeting.

The arbitration shall be conducted in accordance with the rules of the American Arbitration Association and/or Federal Mediation and Conciliation Services provided that:

1. If any of the proceedings pertaining to the grievances are pending before any administrative tribunal, agency or court, the arbitration procedure shall be held in abeyance until their resolution.
2. The Arbitrator shall have no authority to alter, add to, or subtract from the provisions of the Agreement. The decision of the Arbitrator shall be made only on the question submitted.

3. Both parties agree to be bound by the decision of the Arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.
4. The expense of the arbitration proceeding, including the cost of a transcript for the Arbitrator if the Arbitrator so requests, shall be shared equally by the Employer and the Union; otherwise, each party shall bear its own costs. Grievant(s) and Union Steward shall be given a paid leave to attend arbitration hearings. No overtime shall be paid under this provision.

Section 3. The time limitations set forth in this grievance procedure shall be observed, but may be extended by written agreement of both parties. A grievance may be withdrawn by the Union at any time. Any grievance not settled at any step shall automatically be advanced to the next step.

Section 4. The Employer shall not be obligated to discuss grievances with other than the appropriate designated Steward(s), Union Representative, or their alternates.

Section 5. It is understood that in any step of the grievance procedure, the Employer shall include any management personnel involved in the grievance.

Section 6. Grievance proceedings, as stated in Article XVIII shall be without loss of pay, at the regular straight time rate for the grievant(s) and Steward. It is agreed by the Union and the Employer that said proceedings shall be conducted at the earliest practicable time. The Union agrees, however, that the Employer's primary obligation is to carry out the organization's business and no proceedings will be scheduled which would unduly interfere with that business.

ARTICLE XIX. CLASSIFICATION AND RATE OF PAY

Section 1. The parties recognize that as of the effective date of the Collective Bargaining Agreement the following classifications and salary ranges shall be established. Ranges will be updated by the percentage wage adjustments determined under this contract.

In accordance with the certification of the National Labor Relations Board, MAUW has agreed to recognize the Union as the bargaining unit for all full-time and part time Community service Labor Liaison Staff and support staff in Secretarial and Clerical positions employed by the Employer at its place of business: but excluding Administrative Assistants to the MAUW CPO and to the Finance Department, confidential employees, guards and supervisors as defined in the Act. This proposal aligns with that agreement.
